Dear Sir:

This Amendment is in response to the Official Action dated October 21, 1998. A petition for a one-month extension of time and a Notice of Appeal are being filed concurrently to this response. Please amend the application as follows:

In the Claims

1. (Three Times Amended) An article of equipment, intended to be submerged in molten zinc, molten aluminum and mixtures thereof, said article containing a alloy material which is substantially free of silicon and is comprised of carbon, chromium, tungsten, molybdenum, vanadium, niobium, cobalt, boron, iron and manganese, wherein said
